Community Stakeholder Survey

THE CITY OF TRENTON/TRENTON UTILITIES WANTS TO HEAR FROM YOU!!

Residents and community stakeholders can help shape the future direction of Trenton by participating in the City's 2026 online survey. The survey results will guide the City Council as they determine priorities, improve services and create the City's Strategic Plan. Please share your input by following this link: **https://www.surveymonkey.com/r/TrentonMOsurvey .** Or use the QR code below. There will also be opportunities to complete the survey on paper.

If you are someone who lives or works in Trenton, or if you own a business, attend school, or frequently visit Trenton, you can also access the survey from the City's website at **https://trentonmo.com /.** Paper copies will be available at City Hall, 1100 Main Street.

Survey participants will weigh in on a variety of topics, including quality of life, governance, communication outreach, City services, Trenton's commercial areas, community resources, and more. Responses will help determine priorities and assist with creating the City's Strategic Plan. There will also be an opportunity for some residents, business owners, and key community stakeholders to participate in focus groups.

The survey closes on Monday, December 14 at 9:00 a.m.

Preliminary survey results will be shared during a City Council meeting in January (2027).

To learn more about The City of Trenton's Strategic Plan, visit the City's website: https://trentonmo.com/. For more information about the survey, or if you have any questions or want additional documentation, please feel free to contact Trenton City Administrator Matt Harline at 660-359-2281 or mharline@trentonmo.com.
